## **Census News from the Village of Oak Brook**

**Oak Brook, Illinois (March 11, 2010, 3:30 PM)** – The 2010 Census is easy, important and safe. The questionnaire will arrive at your home the week of March 15<sup>th</sup>. All questionnaires should be returned by Census Day, **April 1<sup>st</sup>**. If you do not mail the form back, you may receive a visit from a Census Taker, who will ask you the questions from the form. There are only 10 questions, requiring about 10 minutes to complete. All personal data you provide is protected under federal law. You should complete the Census form for the address stated as your permanent address on your federal income tax form. If you misplace your form, additional forms will be available at the Oak Brook Public Library.

“It is **IMPORTANT** to the Village that residents fill out and return this form as quickly as possible,” says Village President John W. Craig. “Every person counted as a resident of Oak Brook brings additional money into the community from the state and federal government.” It also helps determine the number of seats a state has in the U.S. House of Representatives. Please do your part by filling out the form and returning it immediately.

If you have any further questions, please contact the Village Clerk’s office at 630-368-5050.
