Community Organization of the Month

Hinsdale Humane Society

The Hinsdale Humane Society (HHS) has been a significant contributor to the animal welfare community for 66 years.

In November 2018, HHS opened the Tuthill Family Pet Rescue & Resource Center, which expanded their capacity for rescue by 150%. This allowed them to provide more innovative and necessary programs to the community, transformed services and added exciting, industry-leading initiatives that provide compassionate care and foster the positive benefits of the human-animal bond.

The Hinsdale Humane Society is proud to hold a Guidestar Platinum Seal of Transparency.

What Can You Do To Get Involved?

eResources Updates

RBdigital has joined Overdrive! On August 31, all content from the RBdigital platform will migrate to Overdrive. If you are looking for eAudiobooks, Overdrive and its Libby app will be your one stop for content. All our eBooks and eAudiobooks are available to anyone with a valid Oak Brook library card.

RBdigital Magazines (formerly Zinio) will also be migrating to Overdrive and the Libby app in the coming months.

If you are looking for more options for research, the Library has acquired a number of new EBSCO databases at no additional cost. These include Legal Information Reference Center, Literary Reference Center, Points of View Reference Center, Auto Repair Source and more. These can be found on the Electronic Resources page of the Library's website. These databases can also be used through the EBSCO Mobile app (available in the app store).

Book Donations Not Accepted

We appreciate your willingness to donate your used books to the Library, but we ask that you hold off donating your materials for now. Our storage space is full. The Library will make an announcement when we can again accept book donations.
