Hub Group Breaks Ground on New Corporate Headquarters with 500 Jobs Expected in 2013

Oak Brook, Illinois (August 2, 2012) – The Village of Oak Brook Board was extremely excited to be at the site of what will soon become the Hub Group’s corporate headquarters. The 130,000 square foot, four-story, planned LEED-Gold certified office building broke ground on Wednesday, August 1, 2012 and is scheduled for completion in late 2013. The 17-acre site, located in the I-88 Tech Corridor at 2000 Clearwater Drive, will feature natural habitat landscaping, ponds and walking trails.

“This marks a new chapter for Oak Brook, as the soon-to-be constructed building is the first large office building constructed in Oak Brook since 2000,” said Oak Brook Village President Gopal Lalimalani. “Oak Brook welcomes the Hub Group and 500+ employees, and invites everyone to experience Oak Brook’s wonderful, shopping, dining and recreational activities.”
