FOR IMMEDIATE RELEASE

Oak Brook Police 'Find the Police' Program

OAK BROOK, IL – January 2016

The Oak Brook Police Department wants you to know where we will be focusing a designated traffic enforcement assignment on a weekly basis. On Monday mornings, we will post a location in Oak Brook we are using to address traffic safety concerns for that week. We will post this location and any specific traffic concern to be enforced to our Twitter and Facebook pages.

The purpose behind this program is to inform the public of our efforts in addressing traffic safety concerns in the community through social media. We encourage our social media friends to spread the word of our ongoing enforcement through their social media contacts as well. We also anticipate feedback on other community traffic safety concerns through this outreach effort.
