

**CRS Activity 510
Annual Progress Report on Implementation of Credited Plan**

Which Plan is this for (use separate templates for each credited Plan):

- Floodplain Management Plan (Hazard Mitigation Plan)**
- Repetitive Loss Area Analysis**
- Floodplain Species Plan**
- Substantial Damage Plan**

Name of Community: Village of Oak Brook

Date this Annual Progress Report was prepared (not the date of adoption of the credited Plan): January 19, 2022

Name of Plan: DuPage County Natural Hazard Mitigation Plan

Date of Adoption of Plan: 2018

5 Year CRS Expiration Date: May 2024

1. How can a copy of the credited Plan be obtained:

The DuPage County Natural Hazard Mitigation Plan can be downloaded from the DuPage County Homeland Security and Emergency Management (OHSEM) website: <https://www.dupageco.org/OHSEM/ProtectDupage/56263/>

2. Describe how ***this annual progress report*** (not the credited Plan) was prepared and how it was submitted to the governing body, released to the media, and made available to the public:

This annual progress report was generated in a cooperative effort between Village staff and an engineering consultant. The recertified report will be made available to the public on the Village website and a reference to the report will be made in the Village newsletter.

3. Provide a description of the implementation of each recommendation or action item in the action plan or area analysis report, including a statement on how the project was implemented or not implemented during the previous year:

CRS activities have been carefully selected such that action items are reasonably simple to implement on an annual basis.

4. Discuss why any objectives were not reached or why implementation is behind schedule:

An oversight was made last year and the Annual Progress Report was not uploaded to the Village's website and reference to the report was not included in the Village newsletter. This will be corrected this year.

5. What are the recommendations for new projects or revised recommendations?

N/A
