## PRESS RELEASE Oak Brook Fire Department

**Date:** February 23, 2010  
**Subject:** Hotel Room Fire  
**Contact:** Jeff Marciniak, Battalion Chief  
**Release:** For Immediate Release

On Monday, February 22, 2010, at 6:47 p.m., the Oak Brook Fire Department responded to the Marriott Residence Inn, in the 700 block of Jorie Boulevard, for the small fire in one of its guest rooms. Upon arrival, fire crews discovered smoke conditions on the fourth floor and a fire sprinkler activation in one of the guest rooms. The building was evacuated and an additional request for assistance from area departments was initiated. There were no injuries to either the occupants of the hotel or the responding fire crews. The fire was extinguished by the fire sprinkler in the room, minimizing the extent of fire damage. However, there was water damage to the rooms on the floors directly below where the fire was located. The on-scene fire companies assisted the hotel employees with cleaning up the water from the sprinkler system, and all hotel guests were allowed to reoccupy the building. The incident was terminated at approximately 8:30 p.m.

Area Fire Departments that assisted the Oak Brook Fire Department during this incident were the Westmont Fire Department, the Oak Brook Terrace Fire Protection District, the Elmhurst Fire Department and the York Center Fire Protection District. For further information, contact the Oak Brook Fire Department at 630-368-5200.
